2024: 28th International Conference on Macroeconomic Analysis and International Finance, University of Crete

2023: COMPSTAT 2023, University of London; Brown Bag Seminar, Swiss National Bank; Alumni Conference, Study Center Gerzensee; Brown Bag Seminar, University of Bern

Professional Experience

Study Center Gerzensee, Research Associate and Academic Assistant 2020–present

Swiss National Bank, Business-Cycle Analysis (Konjunktur Schweiz), Intern 2019–2020
Maintained and re-estimated the short-term GDP forecasting models. Responsible for the foreign-trade forecasts for six months. Built high-frequency indicators for the real-time assessment of the COVID-19 shock.

University of Bern, Institute of Marketing and Management, Executive Education Programs, Junior Assistant (40–50%, alongside the BSc and MSc) 2016–2019

Teaching Experience

Study Center Gerzensee, teaching assistant

- Topics in Monetary Economics (central bankers), 2022–2026: K. Adam, G. Benigno, L. J. Christiano, S. Schmitt-Grohé, L. Straub
- Macroeconomic Forecasting (central bankers), 2023: F. Huber, D. Kaufmann, M. Marcellino, B. Rossi
- Instruments of Financial Markets (central bankers), 2022: P. Bacchetta, A. Goyal, N. Herger, B. Nikolov, M. Rockinger
- Financial Stability (central bankers), 2021: P. Bacchetta, M. González-Eiras, N. Herger
- Advanced Topics in Empirical Finance (central bankers), 2021: C. de Vries, T. Foucault, M. Rockinger, N. Schürhoff
- Mathematics (PhD), exercise sessions, 2023, 2024: A. Bachmann, C. Monnet, S. Fukuda
- Econometrics III (PhD), 2022, 2023: M. Watson. Macroeconomics II (PhD), 2022, 2023: F. Alvarez. Microeconomics IV (PhD), 2022: J. Moore

University of Bern, teaching assistant

- Introduction to Statistics II (BSc), 2018–2019: L. Dümbgen

Additional Training

2026 Heterogeneous-Agent NK Models (L. Straub), Study Center Gerzensee
2023 Macroeconomics of Exchange Rates (O. Itskhoki), Study Center Gerzensee
Analyzing DSGE Models with Dynare Julia (M. Juillard), EPFL
2022 Bayesian Methods for Empirical Macroeconomics (G. Koop), Study Center Gerzensee
Introduction to Macro-Finance (A. Mian), Study Center Gerzensee

Skills and Languages

Software MATLAB, Dynare, Python, R, Stata, EViews, Julia, LaTeX, Git, Eikon, Datastream
Languages Estonian (native), German (C2), English (C2), Italian (B1), Russian (B1)
Interests History, literature, ballet, Pilates, skiing
